The above-identified application became abandoned for failure to file a proper Rescission of Non-Publication Request required by the filing of a foreign patent application for the same matter. The Rescission Request was inadvertently filed without a PTO/SB/36 (Version 10/01) statement.

In a PTO Notice dated 04/10/2003, it is stated that the application is thus abandoned.

An International (PCT) application based on the above application was filed on February 20, 2003, as Application No. PCT/US 03/05522, and titled: VERSATILE GARMENT.

A Request for Rescission of Non-Publication was simultaneously filed on February 20, 2003 via Express Mail. The statement under PTO/SB/36 was inadvertently omitted from the Request because I did not have the statement in my forms software.

The abandonment date of this application is 45 days from the foreign filing date, which is April 7, 2003.
